

Brian J. Jackson, DDS
Diplomate-American Board of Oral Implantology/ Implant
Dentistry
Associate Fellow-American Academy of Implant Dentistry
2534 Genesee Street
Utica, NY 13502
(315) 724-5141

Dr. Jackson is a general dentist that has been surgically placing and restoring dental implants for over 15 years. He received his Doctor of Dental Surgery degree at SUNY/Buffalo, School of Dental Medicine and completed post-graduate training at St. Luke's Memorial Hospital Centers' General Practice Residency Program.

Dr. Jackson completed his formal oral implantology training at New York University, School of Dentistry. Dr. Jackson is a Diplomate of the American Board of Oral Implantology/Implant Dentistry (ABOI/ID) and a Fellow of the American Academy of Implant Dentistry (AAID). The ABOI/ID Diplomate designation symbolizes the highest level of competence in implant dentistry. Diplomates and Fellows have been certified by their peers and have met national standards of education and practice in oral implantology.

Dr. Jackson has authored three papers that have been published in the Journal of Oral Implantology (JOI) titled "Occlusal Considerations and Clinical Applications For Endosseous Implants", "The Use of Laser-Welded Titanium Framework Technology: A Case Report for the Edentulous Patient" and "Socket Preservation: A Predictable Technique for Site Preservation." The Journal of Oral Implantology is the official peer-reviewed journal of the AAID and American Academy of Implant Prosthodontics. Dr. Jackson is an attending dentist for Faxton-St. Luke's Healthcare Systems General Practice Residency Program where he is the Chairman of the dental implant aspect of the program. He established the Dr. Ronald J. Goldstone Memorial Dental Scholarship and the Dr. Ronald J. Goldstone Dental Seminar at Utica College. Dr. Jackson has presented at numerous implant conferences in New York, Boston, Los Angeles and Mumbai, India. He is on the faculty of the India and New York Maxicourse in Oral Implantology.
